

Our Savior's Lutheran Church

Nominations from the Congregation

Dear Our Savior's Lutheran Church Members,

You are invited to submit the name of a candidate you believe should be considered for our new leadership team. Please review the specific qualifications established for each position before making a recommendation.

Recommendations should be submitted by the end of February 2026. If you have additional suggestions after that date, you may still submit them or speak with a Call Committee member to determine whether further recommendations are needed.

Please return the completed form to Committee Chair Andy Binder, either via his office mailbox or by email at andybinder@gmail.com.

All recommendations will be forwarded to our synod staff for review. The synod staff will assist the Call Committee in determining which candidates to interview. Thank you for your thoughtful suggestions.
