***“But this is the covenant that I will make with the house of Israel after those days, says the Lord: I will put my instruction within them, and I will write it on their hearts; and I will be their God, and they shall be my people. No longer shall they teach one another, or say to each other, “Know the Lord,” for they shall all know me, from the least of them to the greatest, says the Lord; for I will forgive their iniquity, and remember their sin no more.” Jeremiah 31:33-34***

Dear Friends,

Many of you are familiar with my son Leith and his passion for wildlife photography. For the last five years, it's been fun to watch him progress from a kid with a cheap little point-and-shoot, snapping pics of whatever caught his eye, to an artist, ecologist and champion of all things wild and free... sharing a profound love for the natural world through photographs. (Some of you maybe have his annual calendars or cards in your homes... for which he thanks you for the college tuition help☺) It's been particularly fun to read his little commentaries on the pictures he creates as he shares them on social media, trying to share with the viewer how his photos came to be, what exactly his subjects are and where he finds them. That being said, I couldn't help but laugh out loud at a couple of his latest photos shared on Facebook, his description simply reading: “Some sort of bug on some sort of flower.” And then he went ahead and said the quiet part out loud in beautiful honesty: “I’m gonna have to take some entomology and botany classes in college.” Good call☺

Point being: When he started out over five years ago, like many adolescents, he really had no idea what he didn't know... about photography, about wildlife, about the natural world he so badly wanted to dive into. But in pursuing passionately his passions, he's coming to that most valuable of all learnings, that he has way more to *learn* than he already knows. To live authentically as a human being means to live with the humility of a student, a disciple, hungry to learn *more*.

I used to see a bumper sticker from time to time that read something like this: “*The Bible says it... I believe it... That settles it.*” I've always been troubled by that sentiment. Would that the life of faith were that easy. Frankly, for most of us, the bumper sticker could read: “Jesus said it... I want to believe it... but it unsettles me to no end and opens up a whole new truckload of questions!” The truth of the matter is that life is not lived in the land of Biblical certainty. If it were so... that being a Christian consisted of simply learning a basic body of knowledge straight from Jesus' lips and then having our actions correspond with those teachings... then we would “not have to teach one another, saying, ‘Know the Lord,’ for we [would] all know Him, from the least to the greatest,” as the prophet Jeremiah put it.

We haven't quite made it there yet. We experience faith the way we experience life, as an ever-challenging puzzle, with its highs and its lows, its moments of understanding and clarity and its moments of utter confusion and darkness. And yet, we wouldn't be anywhere but in faith, would we? There is a certainty, a solidity, to being a beloved child of God. There is that sturdy fact of our identity as forgiven sinners, living proof of God's patience.

*Continued on page 2*

Being a disciple (a student) of Jesus now means something other than certainty. It means *learning*, new every day, to live our lives in trust, particularly trusting the last part of that covenant promise: "*for I will forgive their iniquity, and remember their sin no more.*" Learning is the thing. Growing is the thing. Cease to learn and grow and question, and we cease to be disciples.

God bless each of us as we learn to trust more deeply.

Pastor Stephan Sandness

Worship  
in the Park

On **Sunday, August 7**, we'll be MOVING our worship service from the friendly confines of 1020 State St. to the Spearfish City Park off of Canyon St. We'll gather at the big picnic shelter near the band shell at 10:00 A.M. (***note the time change from our normal 9:00 a.m. worship time***)

Worship will be led by the Joyful Journey band, with Todd Tetreault sitting in on keyboards! (Yes, we're hauling him out of retirement for this one! ☺ )

After worship, we'll share a pot-luck picnic together! (yum.)

Please remember to bring your own lawn chairs or blankets to sit on. (We'll try to have a few chairs on hand for those who can't bring their own, but those will be limited.) Bring voices tuned for worship, food to share if you're able... and a few friends and relatives would be nice, too!

Year-to-date Expenses:	\$260,593.56
Year-to-date Budget:	\$289,430.96

## This month's "Love Your Neighbor" Jar will benefit: *Missionary Support*

June's Love Your Neighbor Jar raised \$1,915.16 for Pine Ridge Reconciliation Center and \$2,180.00 for St. James Lutheran Church in Belle Fourche in their efforts to recover after the hailstorm in June.

~~THANK YOU!~~

Dear Brothers and Sisters in Christ,

The members of St. James Lutheran Church wish to thank the congregation of Our Savior's Lutheran Church for your heartfelt donation to our church following the hailstorm in June. We are deeply touched over your concern for us!

Our church and parsonage, as well as virtually every building in Belle Fourche, received extensive damage from that storm. We need a new roof on both buildings, and 16 windows on the church plus a couple on the parsonage need to be replaced. However, the blessing is that we still have a building in which we can worship, and we know the damage could have been much worse.

We cherish the connection our churches have had over the years. We were grateful when Pastor Sandness served as our Vice Pastor as we began a search for our new pastor. We are very thankful for the love and encouragement you gave to Kari Webb as she completed her studies and became our pastor.

It is times like this that we see the outpouring of love from our neighbors, whether they be next door or from a distance. Thanks again for your generous donation. May God bless you!

Sincerely,

St. James Lutheran Church  
Belle Fourche

Dear Friends,

Summertime is a season for gathering at Family Reunions, Class Reunions, etc. At those gatherings we have a chance to see the big picture beyond our immediate households and remind each other of our collective past, present, and future. We are grateful to be able to do the same thing in our family of faith! The mission of Our Savior's Lutheran Church in Spearfish is strengthened by the connection we have with the wider church outside our walls.

There are countless ways to be involved in the larger church through our Bear Butte Conference, through the SD Synod ELCA, and through Churchwide ELCA by serving on committees, attending events, participating in mission projects, and broadening our awareness of mission and ministry of the whole church. Together our reach is far beyond our individual churches, impacting people in our neighborhoods and around the world.

A few months ago, I accepted the invitation to serve on the SD Synod Candidacy Committee to complete the term of a fellow deacon who was needed in another capacity. This committee accompanies and interviews candidates who are preparing for rostered service as Ministers of Word and Sacrament (pastors) and Ministers of Word and Service (deacons). The process is intense and thorough. Meeting these people who have heard and answered a call to serve is uplifting. They come from all walks of life and various age groups with particular gifts to share with the whole church. They are inspiring and enthusiastic in pursuit of their goal. Each one follows a path to ministry that is carefully prescribed to assure they are prepared and equipped to serve. They work their way through three steps of Entrance, Endorsement, and Approval. Be assured that your church, God's church, is alive and well and active, following God's mission to carry the gospel far and wide and to meet the needs of God's people at every juncture. I'm grateful to serve on this committee and thank you for allowing me to do so. We meet quarterly and are kept informed between meetings with information electronically and confidentially shared.

I encourage you to pay attention to the SD Synod website and Facebook page to envision how YOU might become personally involved in the wider church and serve in a way that uses your God-given gifts. Know that as a congregation we are always aware of our responsibility beyond the walls of this place to participate in God's mission.

## SPEARFISH COMMUNITY FOOD

### PANTRY UPDATE

July was OSLC month to serve as volunteers at the Spearfish Community Pantry. Andy Black and George Vansco, Pantry Board Members, want to thank the following volunteers for assisting with the distribution of food during the first two weeks of July; Myrna, Corrine, Janet, Cheryl, Del, Jen, Kyler, Lynn, John and Julia.

During our two weeks of service, our volunteers provided nutritional assistance to 164 families for a total of 411 people.

We also wish to express our sincere thanks to those OSLC members who continue to donate food and funds to the Spearfish Community Pantry.

We also want to wish Andy Black safe travels in his move to Kentucky and welcome Corrine Muske as our new Spearfish Pantry board member.

Festival in the Park has melted into history. Despite temps in the 90's I am happy with our efforts at the Park.

None of that success would be possible and thereby our giving

to various organizations possible without the assistance of our church family. It takes a congregation.

Kris and Scott Stewart and their outstanding "crew" put forth 107 pies Thursday at the church. WOW! I believe I heard Scott say "it was a lot of fun." My appreciation to all of them is without measure. THANK YOU.

Our circle of home bakers stepped up also. A total of 45 tins of deliciousness were delivered to the church or park. The pie booth wouldn't happen without you. THANK YOU.

I have to applaud all the men and women who helped serve at the park. It was HOT! One of my favorite parts of the pie booth is meeting new people. Some are new members of the church and others are members I haven't met or worked with yet. THANK YOU.

Last but not least are the Tuesday Fix It Guys who continue to make our ideas a reality. I LOVE the ice cream scoop holders and the second pie rack dolly. Those make us more efficient. They brought a ladder and their power tools to help us load up, set up and tear down, and store everything needed to create our pie booth. THANK YOU.

A personal note - I made it through the weekend without heat exhaustion with a little help from my friends that kept a close eye on me. THANK YOU!

## MILESTONE MINISTRIES FOR THIS SCHOOL YEAR!

We celebrate these important faith markers with children and their families each season. Here is a great definition of Milestone Ministry: "Milestones Ministry provides a faith milestone as a marker along life's journey that says, "This is something important, and God is here, too." It is a faith formation practice for both home and congregation that helps all generations recognize God's presence in everyday life". (<https://milestonesministry.org/milestones/>) Families should receive an email, letter or postcard with more details provided.
