Teachers in the Sunday school or K.O.W's classroom

We are using the Spark Rotation Curriculum and lessons are emailed to you each week. The style of lesson taught rotates; the children do not! This way you can really get to know the kids in your classroom. The rotations include lessons in Art, Bible Skills & Games, Cooking, and Video. Supplies are provided for you in your classroom.

Wednesday Meal

Partner up with 2-3 families to provide a simple Wednesday meal. (Confirmation families take the lead and we help).

Help prepare Lessons & Supplies

A behind-the-scenes position that helps gather supplies and restock items for the next week's lessons. This takes place while your kids attend class on Sunday or Wednesday.

Christmas Program- Our annual program will combine both Sunday and K.O.W's classes to present *One Big Christmas Program* during the 10:45 worship service on December 16th 2018.

Other Ideas

Events that families have enjoyed in the past include assisting with Advent or Lent celebrations, doing a Service Project, a Fall Family Fun Event, an Advent Celebration, and a Lenten Celebration Each of these events is unique and new ideas are always welcome.
